DO No. I-11011/133/2015-DBT

Dated 19th March 2020

Respected Sir,

As you are aware, Government has taken various steps to combat the novel Coronavirus Disease (COVID19). It is well recognised that the disadvantaged and poor are most vulnerable to the economic effects of the disease, especially as daily wages are threatened. Many of these would be beneficiaries of various DBT schemes of your Ministry/ Department.

It is therefore requested that the pending DBT payments in all the schemes of your Department may be paid within the next two days, and a status report to this effect may be shared with us in the enclosed format after every three working days. Further, bottlenecks and constraints, if any, including budget availability or procedural issues with the banking system may also be brought to our notice.

With profound regards

Yours sincerely

Saurabh K Tiwari
19/3/2020
(Saurabh K Tiwari)

To

Secretaries of all DBT implementing Ministries/ Departments

Copy to:

1. Secretary, Department of Expenditure, with the request to look into budgetary allocation requests for DBT schemes
2. CGA, with the request to monitor DBT payments through PFMS and ensure that all payments are effected immediately.
3. Managing Director, NPCI
